VISION WITH COMPASSION. CARE WITH EXCELLENCE.

Chairman's Message

Message from the Chairman

It is my privilege to present the Annual Report of Smt. Indirabai Wavikar Charitable Trust for the year 2015–2016. This report reflects our continued commitment to compassionate, accessible and high-quality eye care and our efforts to reach communities with timely screening and treatment.

During the year, the Trust conducted 139 eye camps and screened 28,242 patients. Cataract care remained a major area of service, with 665 cataract surgeries recorded, including 167 free surgeries and 498 subsidised surgeries. The Trust also distributed 397 spectacles and screened 9,969 school children.

These achievements represent the combined efforts of our doctors, healthcare professionals, staff, volunteers, donors, community partners and well-wishers. Every screening and treatment supported the wider objective of preventing avoidable vision loss and improving quality of life.

We remain grateful to the communities we serve for their trust and to everyone who contributes to the Trust's charitable eye-care mission. We look forward to strengthening outreach, education, partnerships and patient-centred care in the years ahead.

With warm regards,
